---------------------	-------------------

Work Carried out between this meeting and previous meeting

Started the second iteration of the project. With that,

- Purchase order
- Material Receive note and
- Supply Payment Modules are started.

UML diagrams for the system is started.

The Quotation related modules are being completed.

Problems Encountered

When the POST method created, there was an error on sending it to database.

Some lack of knowledge on spring boot framework, couldn't handle the CRUD operations clearly.

Planned work that were unable to carry out with reasons

When creating quotation management part, the requesting part is going to be handled by the E-mail.

(Without a good knowledge with that, the work is postponed.)

Work planned until next meeting

Finishing the Quotation Management Module.

Get the first user acceptance meeting with the created system.

Starting the Iteration 3 of the project.
